- RDC Software

**Clinician**

- PC, Laptop, Tablet, iPad, Smart Phone, or iPhone

**Patient**

# It's what can help run your office.

<sup>1</sup>Coverage varies by State

For patients, **H2O** is a source of freedom in life. By reducing the amount of travel, number of office visits, and enabling them to better manage their health, patients can communicate by using video communication with their caregivers.

For healthcare professionals, **H2O** is a natural solution -- a clear and simple way to offer comprehensive care, grow their practice, and get paid for video consultations, while becoming paperless.

If you are drowning in paperwork, **H2O** can help.
